WELCOME TO CITI HOUSING

Citi Housing has become the most imaginative, innovative and reliable real estate developer in just eight years of dependable and successful performance. Our reputation for delivering the best projects has raised us to the forefront of real estate development in Pakistan.

Citi Housing's consistent success lies in delivering holistic real estate solutions that meet the needs of residents, businesses & dealers. Our projects are meticulously planned, proficiently executed, and proudly delivered to create outstanding and captivating lifestyle opportunities for the residents.

Our projects perfectly integrate residential, retail and commercial space with world-class attractions. Citi Housing has to date expanded its development footprint from Gujranwala to Sialkot, Jhelum, Faisalabad and Multan, with more than five thousand families residing in it.

In the heart of modern Jhelum, planned and developed to precision, this gated community offers a flawless, safe and luxurious lifestyle surrounded by immaculate landscape. Proudly offering commercial boulevards and residential blocks with world class healthcare facilities, international standard schools, centrally air-conditioned mosque, an awesome zoo, exclusive gym, spectacular spa, a state of the art cinema and beautiful parks. This epic project blends luxury with value to offer its residents the comfort, convenience and class that defines the hallmark of Citi Housing's signature Gold Standard Living.

The population of Jhelum city is about 1.223 million (2017) and it is the 32nd largest city of Pakistan with respect to population. Total area of the city is about 22km² (8.5 sq mi). Population with a density of 261/km. Population Growth Rate is 1.51 which is very low as compared to other urban areas of Pakistan.

Jhelum is located at a 1 hour and 30 minutes' drive from Islamabad Capital Territory and 3 hours' drive from Lahore in the heart of Punjab. Jhelum is linked with all major cities through the National Highway N-5 and other road networks making several nearby cities accessible within a couple of hours.

During the past few years, the city has experienced rapid expansion and it has now become a vibrant economic and cultural center.

Rohtas Fort is a Garrison Fort built by the great Afghan King Sher Shah Suri. This fort is about 4 km in circumference. It is situated in a gorge approximately 18 km northwest of Jhelum and 7 km from Dina.

Infrastructure, Security & 24/7 Power Supply

Citi Housing Jhelum is the extension of the existing projects of Citi Housing fully developed chain. Citi Housing's infrastructure is resident friendly as it's facilities and systems are created for their convenience and ease. These systems are high cost investments and are vital to the homeowners to lead a civilized life. The development vision of the management is to create and support modernization of the electricity distribution, sewerage, water supply, streetscapes, and horticulture systems.

Citi Housing's power generation supported by state-of-the-art underground cables network is meant to ensure uninterrupted power supply to every household, 24 hours a day, 7 days a week. The amenity offers comfortable lifestyle where residents can enjoy every season and every moment of their life to the fullest. To maintain the life of the human community, and in order to facilitate the life, many important inventions were discovered. There is no doubt that the most important of these inventions is electricity, which we depend on in the current modern time.

Citi Housing Jhelum is the only gated community housing in Jhelum and surrounding areas like Dina, Sarai Alamgir etc. It is essential that residents and businesses have the right level of security to ensure they are free from the threat of danger, damage, theft or crime. Citi Housing is committed to providing:

- Access Control
- Static Guarding
- Risk Management
- Strategic Services
- Electronic Security Services
- Emergency Response
- CCTV Surveillance
